[REDACTED] I am sure, are all well posted as you wish the various details handled so there should be no difficulties. However, as [REDACTED] has informed you, it would be helpful to have as much advanced time in ordering certain merchandise as possible as in some cases it may be necessary for us to order some sizes from our manufacturers.

I would like to repeat once again that we are most anxious to see that you receive exactly the merchandise and the service you require, and I hope you will call upon me if at any time we fail to meet your requirements or if there is any special service you may wish.

Sincerely yours,

PA P
